Mr. Otis is on his email if you want me to ask. I'm inclined that way.

Hi Mark,

Thanks for catching the font size. I'll fix that. As for offering to send the second disk elsewhere, I almost asked on the call today and I probably should have. In the interest of time, however, can we send them both to Andrew and let him distribute as necessary?

Scott,

Thanks for drafting the transmittal email. It looks great. The only thing I noticed that needs fixing is the last line which is 12 font while the rest of the document is in 11 font. Do you think we should ask Mr. Otis if he wants us to ship a disk directly to the company? It may entail shipping a disk to Mr. Strozio in Toronto. I have no idea what is entailed in shipping outside the U.S.

Mark

Hi Mark,

Attached is a draft cover letter to accompany the disks to Andrew Otis. To identify the areas where the changes appear, I referenced section titles rather than page numbers because the documents on both the disk and the original cost summary are not numbered.

Feel free to edit as you see fit or call me to discuss.

Thanks,

Scott
